MATH Department Permission Number Request

If you have completed a prerequisite math course at another college/university (but your transfer credits have not yet been posted to myZou), please do the following:

1. Identify the course coordinator of the course you want to enroll in, and submit the following to the coordinator, either in person, or via email or fax (573-882-1869):
   - An unofficial transcript or grade report from the college/university where your coursework was completed, indicating that you earned a C- or above in the prerequisite course.
   - Your personal information:
     o Complete name: ______________________________
     o Student ID #: ___________________________
     o MU Email address: __________________@mail.missouri.edu
     o Phone number: _____________________________
     o You are requesting a permission number for:
       what course? __________________ and section(s)? __________________

2. If you have not already done so, have an official transcript from the college/university you attended mailed directly to: Admissions Office, 230 Jesse Hall, Columbia, MO 65211

Once your permission number request is approved, you will receive an email with information about how to register.

All transfer credits must be posted by the first day of classes or you may be dropped from this course.
